## **FCRIT - FACES 2022**

FACES is our first festival for every academic year. It has therefore had a special place in our hearts since our first years at college, and we, the Student Council, hope to make FACES 2022 just as memorable. It is an intra-college event in which every Department takes part with zeal and passion. During this three-day gala, everyone's excitement is at the zenith because they want to gain points for their respective departments. FACES is that much-needed break in our oh-so-busy semesters; ergo come join in whatever interests you, as we make sure to offer something for everyone, and remember that the only rule is to have fun.

## **THEME : UDAAN**

This year, we sprung up from the harrowing effects of the pandemic and took a giant leap of faith towards normalcy. This leap was no less than a flight of hope and happiness. So what better way to describe the beautiful amalgamation of our sports and cultural fest Faces than UDAAN. With Udaan, we want you to fly high on the adrenaline rush that sports brings and the serene melodies of cultural events. We want each one of us to fly high in the sky of togetherness and joy. Just like the birds that soar high up in the sky, the campus too shall burst into a flight of fun, frolic and a lifetime of memories.

## **HIGHLIGHTS**

The previous editions of FACES have all been great victories, and this year we are aiming higher than ever to come up with an enthralling experience which will most certainly be remembered
