MEMORANDUM OF UNDERSTANDING BETWEEN

FR. C. RODRIGUES INSTITUTE OF TECHNOLOGY, NAVI MUMBAI
AND

SAINI ELECTRICAL AND ENGINEERING WORKS, NAVI MUMBAI

1. PREAMBLE

Fr. C. Rodrigues Institute of Technology (FCRIT) is one of the leading academic institutions of Mumbai University. It was established in 1994 at Vashi, Navi Mumbai as a part of the Agnel Technical Education Complex by Agnel Ashram Fathers under Agnel Charities Trust. Ever since its inception, in just a short span of time, has established itself as one of the leading Engineering Colleges in Mumbai. This fact is well supported by its excellent results in the University examinations as well as by the extensive facilities provided by the college. This had led to the college being awarded with an 'A' Grade in its very first assessment by the Government of Maharashtra. In addition, National Board of Accreditation (NBA) constituted under clause 10 (V) by AICTE act 1987 awarded accreditation to the College in July 2006, Aug 2012 and reaccreditation in Oct 2018

Cont.....2

SAINI Group of Companies based in Mumbai (India), established in the year 1975 is one of the leading engineering and manufacturing company's with a diverse portfolio of Products, Solutions and Services that includes Manufacture of Rolling Stock Equipment's & Special Purpose Motors, Complete Rehabilitation of Electrical Rotating Machines and Supply of Varnishes & Resin. The Entity is engaged in design, engineering, manufacturing, repair, testing, supply and commissioning of products and services for core sectors of economy i.e. Transportation (Railways), Power generation & Transmission, Oil & Gas, Cement, Steel and Other Processing Industries. The group comprises of two companies – Saini Electrical and Engineering Works and Saini Heavy Electrical and Engineering Works Pvt Ltd with 3 Manufacturing units, 1 Repair unit and 2 regional offices across the country. Their manufacturing facilities and other entities are accredited to Quality Management System - ISO 9001.

This Agreement made and entered into on this **12th day of February 2019** between **Agnel Charities' Fr. C. Rodrigues Institute of Technology** (hereinafter called FCRIT) situated at Navi Mumbai 400703, an institute affiliated to University of Mumbai and **Saini Electrical and Engineering Works** situated at MIDC, Pawne, Navi Mumbai, Maharashtra, (hereinafter called "SEEW" which expression shall include its successors and permitted assignees).

2. OBJECTIVES OF THE MOU

The objective of this Memorandum of Understanding is:

- a. to promote interaction between FCRIT and SEEW in mutually beneficial areas.
- b. to provide a formal basis for initiating interaction between FCRIT and SEEW.

3. PROPOSED MODES OF COLLABORATION

FCRIT and SEEW propose to collaborate through

- a. Consultation, guidance and support from FCRIT to SEEW for the **Design and Development of Electric Vehicle Drive for EV grade Induction Motor (in range of 110 kW)**
- b. Training of SEEW personnel through FCRIT in areas of interest to SEEW.
- c. Any other appropriate mode of interaction agreed upon between FCRIT and SEEW.

The above modes of interaction will be initiated by entering into a agreement between the two parties.

4. FORMS OF DESIGN AND DEVELOPMENT PROGRAM

The form of any of the said R&D, design, consultation, guidance and support for the Design and Development Program (DDP) may include the following:

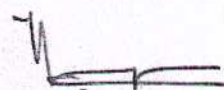

- a. **In their own existing facilities** - The performance of DDP individually by each Party or concurrently by both Parties in mixed groups at their own facilities with regular exchanges of results.
- b. **In a separate development facility** - The performance of DDP by the technical personnel of both Parties working together in the facilities of one Party or in mixed groups at the facilities supported/ sponsored by either Party.
- c. **Third parties** - The performance of DDP by the Parties together with one or more third parties.

5. TECHNICAL AREAS OF COLLABORATION

The principal technical areas of collaboration between FCRIT and SEEW will be as set out in Annexure 1.

- 1) Design and Development of Electric Vehicle Drive for EV grade Induction Motor, in the range of 110 kW, (as per the details provided in Annexure 1)
- 2) Technical assistance to develop the manufacturing facility for the SEEW
- 3) Technical assistance to develop the testing facility for the SEEW

Cont.....3

6. AGREEMENTS FOR CONSULTATION AND RESEARCH COLLABORATION

Each Consultation and Research collaboration undertaken by the parties hereunder shall be initiated by the signing of a separate 'Consultation & Research Agreement' between the parties, which will describe in detail:

- a. the nature, scope and schedule of the research collaboration.
- b. the form of the research collaboration.
- c. the estimated cost of the research collaboration together with the amount of funding, if any, to be received from third parties.
- d. the treatment of intellectual property and data rights, including patents, industrial design registration, copyrights and all other proprietary information (including innovations not patented, designs not registered etc.) which result from the research collaboration or which belong to a party and are used in research collaboration.
- e. other provisions as may be mutually agreed upon, including provisions covering the consequences of default or termination by a participant, term, arbitration of disputes and applicable law.

7. CONFIDENTIALITY

- a. During and for a period of **Twenty years** from the date of disclosure, each party agrees to consider as confidential all information disclosed by the other party in written or tangible form or, if orally disclosed confirmed in writing within thirty days of disclosure and identified as confidential by the disclosing party.
- b. The obligations above shall not extend to any confidential information for which the receiving party can prove that this information:
 - is in the public domain at the time of disclosure or comes within the public domain without fault of the receiving party.
 - is already known or become known to the receiving party
 - is received from a third party having no obligations of confidentiality to the disclosing party,
 - is independently developed by the receiving party; or
 - is required to be disclosed by law or court order.

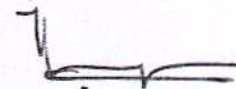

8. NON-EXCLUSIVITY

The relationship of the parties under this MOU shall be nonexclusive and both parties, including their affiliates, subsidiaries and divisions, are free to pursue other agreements or collaborations of any kind. However, when entering into a particular research agreement, the participants may agree to limit each party's right to collaborate with others on that subject.

9. TERMS AND TERMINATION

This MOU, unless extended by mutual written agreement of the parties, shall expire **Three years** after the effective date specified in the opening paragraph. This MOU may be amended or terminated earlier by mutual written agreement of the parties at any time. Either party shall have the right to unilaterally terminate this MOU upon **30 days** prior written notice to the other party. However, no such early termination or expiry of this MOU, whether mutual or unilateral, shall affect the obligations of the participants under any Research Agreement, Confidentiality clause as referenced in clause 5, 6 and 7 above, or any other agreement entered into pursuant to this MOU, which obligations shall survive any such termination/expiry of contract.

Cont.....4

10. RELATIONSHIP

Nothing in this MOU shall be construed to make either party a partner, an agent or legal representative of the other for any purpose.

11. ASSIGNMENT

It is understood by the Parties herein this MOU is based on the professional competence and expertise of each party and hence neither Party shall transfer or assign this Agreement, or rights or obligations arising hereunder, either wholly or in part, to any third party.

12. COSTS OF THE MOU

Each party shall bear the respective costs of carrying out the obligations under this MOU.

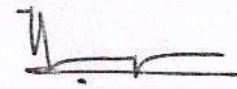

13. FORCE MAJEURE

- a. Neither Party shall be liable to the other Party for any failure to perform or delay in performance of its obligations under this Contract caused by a force majeure event as defined by applicable laws and/or case law.
- b. If either Party is affected by a force majeure event, it shall promptly notify the other Party of the nature and extent of the circumstances in question and use all efforts to minimize the effects of the force majeure event.
- c. If the force majeure event continues for more than three (3) months from the day the force majeure event occurred, a Party may terminate this Contract by giving no less than fifteen (15) working days' prior written notice to the other Party.

14. APPLICABLE LAW – DISPUTES

- a. The Contract shall be governed by the laws of India.
- b. If any dispute arising out of or in connection with the present Contract occurs, the Parties shall try to settle it amicably. If the Parties fail to achieve an amicable resolution thereof within a period of three (3) months from the date of dispute, then the dispute shall be finally settled under the Rules of Arbitration of the International Chamber of Commerce, by one or more arbitrators appointed in accordance with the said Rules of Arbitration and be binding upon the Parties.
- c. The arbitration proceedings shall be conducted in English and the award shall be rendered in English. The place of arbitration shall be Mumbai.
- d. If any dispute arising out of or in connection with the present Contract occurs, the Parties shall try to settle it amicably. If the Parties fail to achieve an amicable resolution thereof within a period of three (4) months from the date of dispute, then either Party may submit the dispute to the competent courts of Mumbai, Maharashtra which shall have exclusive jurisdiction to Irrevocably settle the dispute.

Cont.....5

15. SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the Agreement and having equal legal validity.

BY SIGNING BELOW, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

This non-disclosure agreement ("Agreement") is by and between The **Fr.C. Rodrigues Institute of Technology** (herein after referred to as "**FCRIT**") having its address at Vashi, Navi Mumbai 400703 and **Saini Electrical and Engineering Works** (hereinafter referred to as "**SEEW**") a corporation having a business address at Pawane, Navi Mumbai, on 12th February 2019 being the date when this agreement comes into force.

I. RECITALS

A. **SEEW** and **FCRIT** wish to exchange certain information pertaining to **Design and Development of the Electric Vehicle Drive (Inverter with Auxiliary and interface) for EV grade Induction Motor, in the range of 110 kW**. This exchange includes all communication of information between the parties in any form whatsoever, including oral, written and machine-readable form, pertaining to the above which is indicated as confidential.

B. **FCRIT** and **SEEW** wish to exchange the information for the sole purpose of **researching the Electric Vehicle Drive Technology** and each party regards certain parts of the Information it possesses to be secret and desires to protect those parts from unauthorized disclosure or use (such secret parts being hereafter collectively referred to as "Information").

Cont.....2

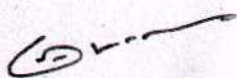

C. **FCRIT** and **SEEW** are willing to disclose Information (as "Disclosing Party") and receive Information (as "Receiving Party") as the case maybe, on the terms and conditions set forth herein.

II. AGREEMENT

In furtherance to the above mentioned, **FCRIT** and **SEEW** agree to the following:

1. The Receiving Party will:
 - a. Not disclose Information of Disclosing Party to any other person and use at least the same degree of care to maintain the Information confidential as Receiving Party uses in maintaining as confidential its own confidential Information, but always at least a reasonable degree of care; due diligence will be taken by both parties in maintenance of confidential information.
 - b. Use the Information only for the above-mentioned purpose;
 - c. Restrict disclosure of the Information of the Disclosing Party solely to those employees of Receiving Party having a need to know such Information in order to accomplish the purpose stated above;
 - d. Advise each such employee, before he or she receives access to the Information, of the obligations of Receiving Party under this Agreement, and require each such employee to agree to maintain those obligations.
 - e. Within fifteen (15) days of notice furnished by either party, the party receiving such notice shall return to the other Party all documentation, copies, notes, diagrams, computer memory media and other materials containing any portion of the Information, or confirm to the other Party, in writing, the destruction of such materials.
2. This Agreement imposes no obligation on Receiving Party with respect to any portion of the Information received from Disclosing Party which

Sub: - Minor Research Grant Project.

Sir/Madam,

I am directed to inform you that the said proposal has been considered by the University and the research grant as quoted above is sanctioned to the researcher.

The sanctioned amount will be disbursed in two installments. The first installment of 40% of the sanctioned amount will be disbursed within the month of March. The remaining 60% amount will be disbursed up to 31st August, 2018.

The researcher is expected to spend 60% amount initially from his/her own resources to carry out the work.

Further, I am to inform you that the researcher will have to utilize the 40% sanctioned amount on or before 31st March, 2018 and submit original bills/vouchers of the expenditure alongwith Utilization Certificate duly certified by the Principal/ Director/ Head/Institute/University Department of the College to the Accounts Section of University.

Please note that 60% balance amount out of sanctioned grant will be released after presentation of your proposal & final approval of the committee. You need to submit utilization certificate after presentation of your research and final approval of 60% grant including bills/vouchers/receipts in original through University Accounts Section.

The report of the research work carried out by the concerned researcher will have to be submitted to the University on or before 31st August 2018.

The Principal/Head of the Institute are requested to inform the researcher accordingly and arrange to forward his/her undertaking immediately to enable this office to release first installment of the research grant.

Sub: - Minor Research Grant Project.

Sir/Madam,

I am directed to inform you that the said proposal has been considered by the University and the research grant as quoted above is sanctioned to the researcher.

The sanctioned amount will be disbursed in two installments. The first installment of 40% of the sanctioned amount will be disbursed within the month of March. The remaining 60% amount will be disbursed up to 31st August, 2018.

The researcher is expected to spend 60% amount initially from his/her own resources to carry out the work.

Further, I am to inform you that the researcher will have to utilize the 40% sanctioned amount on or before 31st March, 2018 and submit original bills/vouchers of the expenditure along with Utilization Certificate duly certified by the Principal/ Director/ Head/Institute/University Department of the College to the Accounts Section of University.

Please note that 60% balance amount out of sanctioned grant will be released after presentation of your proposal & final approval of the committee. You need to submit utilization certificate after presentation of your research and final approval of 60% grant including bills/vouchers/receipts in original through University Accounts Section.

MEMORANDUM OF UNDERSTANDING

BETWEEN

FR. C. RODRIGUES INSTITUTE OF TECHNOLOGY, NAVI MUMBAI

AND

AUTODATA TECHNOLOGIES PVT. LTD. NERUL, NAVI MUMBAI

1. PREAMBLE

Fr. C. Rodrigues Institute of Technology (FCRIT) is one of the leading academic institutions of Mumbai University. It was established in 1994 at Vashi, Navi Mumbai as a part of the Agnel Technical Education Complex by Agnel Ashram Fathers under Agnel Charities Trust. Ever since its inception, in just a short span of time, has established itself as one of the leading Engineering Colleges in Mumbai. This fact is well supported by its excellent results in the University examinations as well as by the extensive facilities provided by the college. This had led to the college being awarded with an 'A' Grade in its very first assessment by the Government of Maharashtra. In addition, National Board of Accreditation (NBA) constituted under clause 10 (V) by AICTE act 1987 awarded accreditation to the College in July 2006 and reaccreditation in Aug 2012.

Autodata has been for 3 decades specializing in advanced, appropriate and affordable automation solutions including Programmable Control systems, SCADA and MIS systems, Variable speed drives,

Servo applications, Heater controls, Embedded systems, Electrostatic Precipitator systems, Battery chargers, Rectifiers, Motor and Power Control Centers. Autodata offers services in engineering, application software, cable engineering, commissioning and maintenance support in the above areas.

This Agreement made and entered into on this **1st day of October 2017** between Agnel Charities' Fr. C. Rodrigues Institute Of Technology (hereinafter called FCRIT) situated at Sector 9A, Vashi, Navi Mumbai 400703, an institute affiliated to University of Mumbai and Autodata Technologies Pvt Ltd. D-240, TTC Industrial Area, Shirvane, P.O. Nerul Node, Navi Mumbai - 400 706 (hereinafter called "AUTODATA "which expression shall include its successors and permitted assignees).

2. OBJECTIVES OF THE MOU

The objective of this Memorandum of Understanding is:

- to promote interaction between FCRIT and AUTODATA in mutually beneficial areas.
- to provide a formal basis for initiating interaction between FCRIT and AUTODATA.

3. PROPOSED MODES OF COLLABORATION

FCRIT and AUTODATA propose to collaborate through

- FCRIT will **design and develop an Active Power Filter** for AUTODATA
- Training of AUTODATA personnel through FCRIT in areas related to **Active Power Filter**
- Any other appropriate mode of interaction agreed upon between FCRIT and AUTODATA.

The above modes of interaction will be initiated by entering into a agreement between the two parties.

4. FORMS OF DESIGN AND DEVELOPMENT PROGRAM

The form of any of the said consultation, guidance and support for the Design and Development Program (DDP) may include the following:

- In their own existing facilities** - The performance of DDP individually by each Party or concurrently by both Parties in mixed groups at their own facilities with regular exchanges of results.
- In a separate development facility** - The performance of DDP by the technical personnel of both Parties working together in the facilities of one Party or in mixed groups at the facilities supported/ sponsored by either Party.

[Handwritten signature]

[Handwritten signature]

c. **Third parties** - The performance of DDP by the Parties together with one or more third parties.

5. TECHNICAL AREAS OF COLLABORATION

The principal technical area of collaboration between FCRIT and AUTODATA will be as set out in Annexure A. The major assignment is

"Design and development of an Active Power Filter (details as specified in the Annexure B)"

6. AGREEMENTS FOR CONSULTATION AND RESEARCH COLLABORATION

Each Consultation and Research collaboration undertaken by the parties hereunder shall be initiated by the signing of a separate 'Consultation & Research Agreement' between the parties, which will describe in detail:

- a. the nature, scope and schedule of the research collaboration.
- b. the form of the research collaboration.
- c. the estimated cost of the research collaboration together with the amount of funding, if any, to be received from third parties.
- d. the treatment of intellectual property and data rights, including patents, industrial design registration, copyrights and all other proprietary information (including innovations not patented, designs not registered etc.) which result from the research collaboration or which belong to a party and are used in research collaboration.
- e. other provisions as may be mutually agreed upon, including provisions covering the consequences of default or termination by a participant, term, arbitration of disputes and applicable law.

7. CONFIDENTIALITY

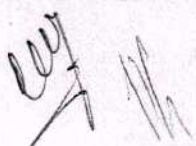

- a. During and for a period of **Five** years from the date of disclosure, each party agrees to consider as confidential all information disclosed by the other party in written or tangible form or, if orally disclosed confirmed in writing within thirty days of disclosure and identified as confidential by the disclosing party.
- b. The obligations above shall not extend to any confidential information for which the receiving party can prove that this information:
is in the public domain at the time of disclosure or comes within the public domain without fault of the receiving party.
is already known or become known to the receiving party
is received from a third party having no obligations of confidentiality to the disclosing party,
is independently developed by the receiving party; or
is required to be disclosed by law or court order.

8. NON-EXCLUSIVITY

The relationship of the parties under this MOU shall be nonexclusive and both parties, including their affiliates, subsidiaries and divisions, are free to pursue other agreements or collaborations of any kind. However, when entering into a particular research agreement, the participants may agree to limit each party's right to collaborate with others on that subject.

9. TERMS AND TERMINATION

This MOU, unless extended by mutual written agreement of the parties, shall expire **two years** after the effective date specified in the opening paragraph. This MOU may be amended or terminated earlier by mutual written agreement of the parties at any time. Either party shall have the right to unilaterally terminate this MOU upon **30 days** prior written notice to the other party. However, no such early termination of this MOU, whether mutual or unilateral, shall affect the obligations of the participants under any Research Agreement, Confidentiality

clause as referenced in clause 6 above, or any other agreement entered into pursuant to this MOU, which obligations shall survive any such termination.

10. RELATIONSHIP

Nothing in this MOU shall be construed to make either party a partner, an agent or legal representative of the other for any purpose.

11. ASSIGNMENT

It is understood by the Parties herein this MOU is based on the professional competence and expertise of each party and hence neither Party shall transfer or assign this Agreement, or rights or obligations arising hereunder, either wholly or in part, to any third party.

12. COSTS OF THE MOU

Each party shall bear the respective costs of carrying out the obligations under this MOU.

13. SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the Agreement and having equal legal validity.

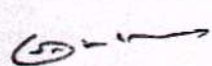

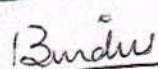

BY SIGNING BELOW, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

MUTUAL NON-DISCLOSURE AGREEMENT

This non-disclosure agreement ("Agreement") is by and between The **Fr.C. Rodrigues Institute of Technology** (herein after referred to as "**FCRIT**") having its address at **Vashi, Navi Mumbai 400703** and **Autodata Technologies Pvt. Ltd.** (hereinafter referred to as "**Autodata**") a corporation having a business address at **Nerul Navi Mumbai - 400 706** on **1st October 2017** being the date when this agreement comes into force.

I. RECITALS

A. **Autodata** and **FCRIT** wish to exchange certain information pertaining to **Design and development of Active Power Filter**. This exchange includes all communication of information between the parties in any form whatsoever, including oral, written and machine-readable form, pertaining to the above which is indicated as confidential.

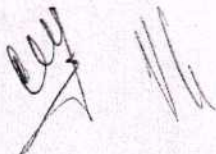

B. **FCRIT** and **Autodata** wish to exchange the information for the sole purpose of **designing and development of Active Power Filter** and each party regards certain parts of the Information it possesses to be secret and desires to protect those parts from unauthorized disclosure or use (such secret parts being hereafter collectively referred to as "Information").

C. **FCRIT** and **Autodata** are willing to disclose Information (as "Disclosing Party") and receive Information (as "Receiving Party") as the case maybe, on the terms and conditions set forth herein.

II. AGREEMENT

In furtherance to the above mentioned, **FCRIT** and **Autodata** agree to the following:

1. The Receiving Party will:
 - a. Not disclose Information of Disclosing Party to any other person and use at least the same degree of care to maintain the Information confidential as Receiving Party uses in maintaining as confidential its own confidential Information, but always at least a reasonable degree of care; due diligence will be taken by both parties in maintenance of confidential information.
 - b. Use the Information only for the above mentioned purpose;

APPENDIX-A

CONSULTATION AND RESEARCH AGREEMENT

This Agreement is made and entered into as of **Consultation And Research Agreement** by and between **Autodata Technologies Pvt. Ltd.**, a Company incorporated under the Companies Act 1956 and having its office at **Nerul Navi Mumbai - 400 706**, hereinafter referred to as '**AUTODATA**', of the FIRST PART,

AND

Fr. C. Rodrigues Institute of Technology, a educational institution in engineering disciplines Vashi, Navi Mumbai-400 703, India, hereinafter referred to as '**FCRIT**', of the SECOND PART. **AUTODATA** and **FCRIT** are collectively referred to herein as 'Parties'.

Whereas Autodata has been there for 3 decades specialized in advanced, appropriate and affordable automation solutions including Programmable Control systems, SCADA and MIS systems, Variable speed drives, Servo applications, Heater controls, Embedded systems, Electrostatic Precipitator systems, Battery chargers, Rectifiers, Motor and Power Control Centers.

Whereas FCRIT is among the premier education institutions in India engaged in higher learning, research and development.

Whereas both Parties hereto have agreed to jointly work on Projects in topics of mutual interest as defined below and develop Products under terms and conditions mutually agreed upon by the Parties
and

Whereas the Parties desire to record the broad terms and conditions that are jointly accepted and agreed to in this Agreement as contained hereunder.

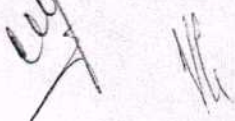

1. DEFINITION

- (a) 'Projects' shall mean and include the individual Projects under the Agreement, the terms and conditions for execution of each of which shall be jointly agreed upon, in writing.
- (b) 'AUTODATA know-how' shall mean and include all know-how of methods, material, software, designs, patterns, formats, proprietary technical literature, and information developed, owned and provided by AUTODATA, which are required for the Projects.
- (c) 'FCRIT know-how' shall mean and include all know-how of methods, material, software, designs, patterns, formats, proprietary technical literature, and information developed, published or otherwise owned and provided by FCRIT, which are required for the Projects.
- (d) 'AUTODATA Personnel' shall mean the personnel or research and development engineers of the Company deputed for the Projects.
- (e) 'FCRIT Personnel' shall mean the faculty members and / or scientists and / or students and / or staff of FCRIT deputed for the Projects.
- (f) 'Principal Investigator' shall mean the individual, employee of FCRIT, having the responsibility of conducting and supervising the Project(s) under this agreement.
- (g) 'Co-Investigator' shall mean the individual(s) participating in the Project(s) under the supervision of Principal Consultant / Investigator, including, but not limited to, students, employees, representatives, and agents.
- (h) 'Project Consultant./ Investigator Team' shall comprise the Principal Consultant/Investigator and the Co-Investigators participating in the Project(s) under this agreement.
- (i) 'Products' shall mean the results, software, hardware or other deliverable generated as a result of work to meet the objectives of the Projects funded by AUTODATA.
- (j) 'AUTODATA - FCRIT Consultation and Research Programme' shall mean the activities envisaged under this Agreement.

2. ITEMS / AREAS OF COLLABORATION AND PROJECT CONSULTANT.

The parties agree to collaborate in the following said items/areas:

- (a) Design and Development of a 3 phase 60Amps 415 volts rated Active Power Filter with reactive power compensation, load balancing and harmonic compensation up to 50th harmonic.

(b) Training of AUTODATA personnel through FCRIT in areas related to Active Power Filter

Dr. Sushil Thale, Professor and Dean (R&D) will be the Principal Consultant/ Investigator for the FCRIT

3. SCOPE OF AGREEMENT

AUTODATA and FCRIT shall work jointly to carry out Projects in the above said items / areas for developing Products and with specific objectives, terms & conditions to be jointly agreed under the Agreement.

4. ACTIVITIES AND OBLIGATIONS OF COMPANY

(a) AUTODATA shall be responsible for providing the funds required for the Projects, as identified in each Project. AUTODATA may depute appropriate AUTODATA personnel to participate in the Projects, as per mutual agreement.

(b) AUTODATA will provide AUTODATA know-how, which may be deemed necessary for the Projects.

(c) AUTODATA shall take reasonable steps to prevent FCRIT know-how, which are meant only for the purpose of conducting the Projects, from unauthorised usage or falling into unauthorised hands. AUTODATA shall ensure that AUTODATA personnel working on projects sign appropriate non-disclosure agreements to prevent unauthorised usage or disclosure of materials or information received under this Agreement.

5. ACTIVITIES AND OBLIGATIONS OF FCRIT

(a) FCRIT shall strive to complete the activities in the said items/areas and deliver the Products to AUTODATA as per the individual Project objectives and schedules as agreed upon.

(b) FCRIT shall take reasonable steps to prevent AUTODATA know-how, which are meant only for the purpose of conducting the Project(s), from unauthorised usage or falling into unauthorised hands. FCRIT shall ensure that FCRIT personnel and the Project Investigator Team working on Projects sign appropriate non-disclosure agreements.

6. FINANCIAL AND OTHER ARRANGEMENTS

The consideration payable to FCRIT for individual Project cost and the schedule of payment would be as mutually agreed upon for each Project. Any other Project related payment will be as per mutual agreement given in writing. Financial arrangements related to Intellectual Property Rights sharing will be as spelt in clause 11.

7. ASSIGNMENT

The Parties hereto shall not transfer or assign any of their rights and obligations under this Agreement to any other party without obtaining prior consent in writing from other Parties hereto.

8. TERM / DURATION

This Agreement shall be initially valid for a period of **08 months** from the date of signing of this agreement. The Parties may extend the term of this Agreement for additional periods as desired under mutually agreeable terms and conditions which shall be reduced to writing and signed by the Parties.

9. TERMINATION

Any of the Parties may terminate this Agreement by serving a written notice on the other Parties **one** month prior to the intended date of termination provided that the termination by either of the parties shall not relieve that party of its obligations accrued prior to such termination, under a specific Project.

10. NOTICES

All communications by AUTODATA involving financial, administrative and other matters shall be sent to Dean R&D, FCRIT. All information of scientific and technical nature may be exchanged directly between the Project Investigator from FCRIT and appropriate AUTODATA personnel as identified in writing, for the Project concerned.

11. INTELLECTUAL PROPERTY AND COMMERCIAL RIGHTS

(a) Title to all inventions, discoveries or developments made solely by FCRIT inventors resulting from the Consultation and Research Programme shall reside in FCRIT; title to all inventions, discoveries and developments made solely by AUTODATA inventors resulting from the Research Programme shall reside in AUTODATA; title to all inventions, discovery, development or other intellectual property including but not limited to copyrights, patents and industrial designs made jointly by FCRIT and AUTODATA resulting from the Consultation and Research Programme shall reside in AUTODATA.

12. CONFIDENTIALITY

(a) It may be necessary for FCRIT and AUTODATA to disclose to or exchange with each other proprietary information relating to FCRIT know-how and AUTODATA know-how, which are confidential and proprietary. The disclosing party shall advise authorised personnel of the receiving party appropriately regarding the confidential nature of the information disclosed. The Party receiving such confidential or proprietary information shall not, unless specifically permitted in writing by the Party providing the said information, disclose in whole or part any such confidential or proprietary information or divulge any information thereon to any person other than its Personnel for fulfilling the purpose of this Agreement. The disclosure to any such Personnel as aforesaid, of any such confidential or proprietary information, shall be in confidence and only to the extent necessary for carrying out the obligations herein.

(b) The obligations of confidentiality set forth above shall be applicable for **Three** years from the termination of the relevant Agreement

(c) The obligations of confidentiality however shall not apply to information that:

- i. is not disclosed in writing or reduced to writing and marked with appropriate confidentiality legend within thirty (30) days after disclosure;

Sir/Madam,

I am directed to inform you that the said proposal has been considered by the University and the research grant as quoted above is sanctioned to the researcher.

The sanctioned amount will be disbursed in two installments. The first installment of 40% of the sanctioned amount will be disbursed within the month of March. The remaining 60% amount will be disbursed up to 31st August, 2018.

The researcher is expected to spend 60% amount initially from his/her own resources to carry out the work.

Further, I am to inform you that the researcher will have to utilize the 40% sanctioned amount on or before 31st March, 2018 and submit original bills/vouchers of the expenditure alongwith Utilization Certificate duly certified by the Principal/ Director/ Head/Institute/University Department of the College to the Accounts Section of University.

Please note that 60% balance amount out of sanctioned grant will be released after presentation of your proposal & final approval of the committee. You need to submit utilization certificate after presentation of your research and final approval of 60% grant including bills/vouchers/receipts in original through University Accounts Section.

The report of the research work carried out by the concerned researcher will have to be submitted to the University on or before 31st August 2018.

The Principal/Head of the Institute are requested to inform the researcher accordingly and arrange to forward his/her undertaking immediately to enable this office to release first installment of the research grant.

Yours faithfully,

**MEMORANDUM OF UNDERSTANDING
BETWEEN
FR. C. RODRIGUES INSTITUTE OF TECHNOLOGY, NAVI MUMBAI
AND
AMA PVT. LTD, MUMBAI**

1. PREAMBLE

Fr. C. Rodrigues Institute of Technology (FCRIT) is one of the leading academic institutions of Mumbai University. It was established in 1994 at Vashi, Navi Mumbai as a part of the Agnel Technical Education Complex by Agnel Ashram Fathers under Agnel Charities Trust. Ever since its inception, in just a short span of time, has established itself as one of the leading Engineering Colleges in Mumbai. This fact is well supported by its excellent results in the University examinations as well as by the extensive facilities provided by the college. This had led to the college being awarded with an 'A' Grade in its very first assessment by the Government of Maharashtra. In addition, National Board of Accreditation (NBA) constituted under clause 10 (V) by AICTE act 1987 awarded accreditation to the College in July 2006 and reaccreditation in Aug 2012.

[Handwritten signatures]

AMA, a pioneer in the field of Airfield Lighting in India, has been involved in aviation for over 6 decades. AMA's wide range of equipment is installed at virtually every civil and defence airport across the country. From the very beginning, AMA's goal has been to manufacture the highest quality Airfield Lighting Equipment. AMA's wide range of equipment is installed at virtually every international, domestic and defence airport throughout India ranging from Kashmir to Trivandrum and Kutch to the Andaman Islands. Technical excellence and commercial integrity has made AMA the undisputed leader in this field in India. AMA has offices at Mumbai, New Delhi and Ahmedabad and factories at Sion and Ahmedabad. AMA's capabilities include design, supply, installation, commissioning, training and maintenance of complete Airfield & Heliport Lighting, Visual Docking Guidance systems and Helideck Visual Landing Aid systems for ships.

This Agreement made and entered into on this 1st day of November 2017 between Agnel Charities' Fr. C. Rodrigues Institute Of Technology (hereinafter called FCRIT) situated at Navi Mumbai 400703, an institute affiliated to University of Mumbai and AMA Pvt Ltd., Fort, Mumbai, 400001 (hereinafter called "AMA" which expression shall include its successors and permitted assignees).

2. OBJECTIVES OF THE MOU

The objective of this Memorandum of Understanding is:

- a. to promote interaction between FCRIT and AMA in mutually beneficial areas.
- b. to provide a formal basis for initiating interaction between FCRIT and AMA.

3. PROPOSED MODES OF COLLABORATION

FCRIT and AMA propose to collaborate through

- a. Consultation, guidance and support from FCRIT to AMA for the design and development of their LED based products.
- b. Training of AMA personnel through FCRIT in areas of interest to AMA.
- c. Any other appropriate mode of interaction agreed upon between FCRIT and AMA.

The above modes of interaction will be initiated by entering into a agreement between the two parties.

4. FORMS OF DESIGN AND DEVELOPMENT PROGRAM

The form of any of the said consultation, guidance and support for the Design and Development Program (DDP) may include the following:

- a. **In their own existing facilities** - The performance of DDP individually by each Party or concurrently by both Parties in mixed groups at their own facilities with regular exchanges of results.
- b. **In a separate development facility** - The performance of DDP by the technical personnel of both Parties working together in the facilities of one Party or in mixed groups at the facilities supported/ sponsored by either Party.
- c. **Third parties** - The performance of DDP by the Parties together with one or more third parties.

5. TECHNICAL AREAS OF COLLABORATION

The principal technical areas of collaboration between FCRIT and AMA will be as set out in Annexure A.

- 1) Design and Development of the entire range of LED lights suitable for Airfield Applications to achieve optimum photometric output and best efficiency of drivers
- 2) Design and Development of other equipments used in Airfield Lighting Applications
- 3) Conducting energy audits for our various airport clients as a value added service

6. AGREEMENTS FOR CONSULTATION AND RESEARCH COLLABORATION

- a. the treatment of intellectual property and data rights, including patents, industrial design registration, copyrights and all other proprietary information (including innovations not patented, designs not registered etc.) which result from the research collaboration or which belong to a party and are used in research collaboration.
 - b. other provisions as may be mutually agreed upon, including provisions covering the consequences of default or termination by a participant, term, arbitration of disputes and applicable law.
- 
- 

7. CONFIDENTIALITY

- a. During and for a period of **five** years from the date of disclosure, each party agrees to consider as confidential all information disclosed by the other party in written or tangible form or, if orally disclosed confirmed in writing within thirty days of disclosure and identified as confidential by the disclosing party.
- b. The obligations above shall not extend to any confidential information for which the receiving party can prove that this information:
 - is in the public domain at the time of disclosure or comes within the public domain without fault of the receiving party.
 - is already known or become known to the receiving party
 - is received from a third party having no obligations of confidentiality to the disclosing party,
 - is independently developed by the receiving party; or
 - is required to be disclosed by law or court order.

8. NON-EXCLUSIVITY

The relationship of the parties under this MOU shall be nonexclusive and both parties, including their affiliates, subsidiaries and divisions, are free to pursue other agreements or collaborations of any kind. However, when entering into a particular research agreement, the participants may agree to limit each party's right to collaborate with others on that subject.

9. TERMS AND TERMINATION

This MOU, unless extended by mutual written agreement of the parties, shall expire **two years** after the effective date specified in the opening paragraph. This MOU may be amended or terminated earlier by mutual written agreement of the parties at any time. Either party shall have the right to unilaterally terminate this MOU upon **30 days** prior written notice to the other party. However, no such early termination of this MOU, whether mutual or unilateral, shall affect the obligations of the participants under any Research Agreement, Confidentiality clause as referenced in clause 6 above, or any other agreement entered into pursuant to this MOU, which obligations shall survive any such termination.

10. RELATIONSHIP

Nothing in this MOU shall be construed to make either party a partner, an agent or legal representative of the other for any purpose.

11. ASSIGNMENT

It is understood by the Parties herein this MOU is based on the professional competence and expertise of each party and hence neither Party shall transfer or assign this Agreement, or rights or obligations arising hereunder, either wholly or in part, to any third party.

12. COSTS OF THE MOU

Each Party shall bear the respective costs of carrying out the obligations under this MOU.

13. SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the Agreement and having equal legal validity.

BY SIGNING BELOW, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

Higher Education Partnership - India Contract

This Contract (the 'Contract') is made on the 17th March, 2016 between:

(A) **The Royal Academy of Engineering** incorporated by Royal Charter of 3 Carlton House Terrace, London SW1Y 5DG, Registered Charity 293074 ('the Academy')

(B) **Fr. C. Rodrigues Institute of Technology**, Agnel Technical Education Complex Next to Masjid, Sector 9A, Vashi, Navi Mumbai, Maharashtra, India, 400703, India ('the Recipient')

Background:

(A) This Contract contains the terms and conditions of an Award to be made by the Academy under its Higher Education Partnership - India scheme, whose purpose is support the aims of the UK government's Newton Fund by facilitating international visits and exchanges between industry and academic partners in the UK and their counterparts in selected Newton Fund Partner Countries

(B) The details of the Award are set out in Annex A to this Contract.

It is agreed as follows:

1. Definitions

'The Award' means the award of a grant whose details are set out in Annex A.

'The Award Letter' means the letter or email from the Academy addressed to the Awardee(s) confirming the Award as detailed in Annex A.

'The Recipient' means the university / organisation named above which will be formally receiving the Award.

'The Principal Contact' means the Awardee who is the principal contact at the Recipient who is named in Annex A.

'The Programme of Activities' means those activities specified in the Application, attached as Annex B, subject to any additional, excluded or amended activities detailed in clause 3.4

'The Awardee(s)' means the Principal Contact and any other person(s) who is named in the original Application, as the context may require.

'Online Grant System' means the Academy's online application and assessment program through which the Award application was submitted, assessed, and will be monitored.

'Statement of Expenditure' means the statement of expenditure required to be submitted by the Recipient under Clause 5.1.

'Report' means any formal written update concerning the Programme of Activities required to be submitted by the Awardee under Clause 4.5.

'Not applicable' means this clause is not relevant to this Contract and has been redacted. The clause number remains in place to maintain the accuracy of any clauses which refer to other clauses.

2. Grant of Award

- 2.1 The Academy undertakes to provide the Award to the Recipient in accordance with the provisions of this Contract. In the event of any conflict or inconsistency between the terms of this Contract and the Award Letter, or any other communication between the parties, the terms of this Contract shall prevail.
- 2.2 The Recipient shall be bound by the terms and conditions set out in this Contract. For the avoidance of doubt, the Award will not be activated and the Academy will not be obliged to pay any part of the Award to the Recipient until (a) the Contract has been received by the Academy duly signed by or on behalf of the Recipient; and (b) the Contract has been countersigned by the authorised signatory on behalf of the Academy. The Academy will not accept liability for any expenses incurred prior to the fulfilment of conditions (a) and (b) above.
- 2.3 Not Applicable.
- 2.4 The Recipient shall procure that the Awardee(s) performs all activities necessary for the fulfilment of the terms of this Contract. The Recipient shall put in place suitable contractual arrangements with the Awardee(s) and any third parties and will ensure that the Awardee(s) is made aware of any relevant obligations required to be met by the Recipient for which the Awardee(s)'s contribution is required, including but not limited to the provision of any Reports.
- 2.5 The Awardee(s) will be employed by the Recipient on a full-time basis and will not undertake any other paid work, hold any other form of paid office or employment or interrupt the Award to pursue other activities without the prior written consent of the Academy, acting reasonably, except that this consent will not be required for up to a combined total of 4 hours of teaching duties and consultancy work per week. If any variation is approved the Academy reserves the right to adjust the Monitoring Schedule at Annex C and the Schedule of Payments at Annex D accordingly.
- 2.6 The Awardee(s) must notify the Academy in writing that the Programme of Activities has started by submitting an Initiation Report, by the date given in the Monitoring Schedule, Annex C. This notification will be provided through the Online Grant System.
- 2.7 The Award is given to the Recipient only and is solely in respect of the Awardee and is not transferable to any third party (including an Awardee(s)) without the written agreement of the Academy. The Academy's decision on any requested transfer is final, as is the consequential distribution or allocation of any remaining Grant funds.
- 2.8 The financial support received from the Academy must be acknowledged by the Recipient and the Awardee(s) in any materials or publications regarding or resulting from the Award, and in any written or spoken presentations about the Award, in the following form (or such other form as the Academy has approved in writing): "This (projectname) was supported by the Royal Academy of Engineering under the Higher Education Partnership - India scheme"
- 2.9 Not applicable.
- 2.10 The Awardee(s) is entitled to take maternity, paternity, or adoptive leave if such leave is accordance with the terms and conditions of their contract of employment. The Academy will extend the duration of Award to account for the leave taken, and adjust the Monitoring Schedule (Annex C) and the Schedule of Payments (Annex D) accordingly.
- 2.11 The Recipient will notify The Academy of any such leave periods as early as reasonably possible.
- 2.12 Not applicable.
- 2.13 Not applicable.

3. Programme of Activities, and timetable

- 3.1 The Recipient shall procure the carrying out of the Programme of Activities as described in Annex B.
- 3.2 The Recipient shall not modify or alter the Programme of Activities without the prior written consent of The Academy.
- 3.3 The Academy's approval must be sought in advance and in writing for changes to any of the following:
 - 3.3.1 the Start Date
 - 3.3.2 the End Date
 - 3.3.3 the re-allocation of expenditure between different cost categories, as specified in Annex B
 - 3.3.4 a change from full to part-time employment, or from part-time to full-time, as applicable.

The Awardee(s) should specify any reasons for the requested changes, and may at the Academy's request be required to provide further reasonable information. The Recipient and the Awardee(s) will be notified of the Academy's decision in writing. However, no additional funding will be provided if these dates are varied, subject to Clause 2.12 (if applicable).

- 3.4 The Recipient shall undertake the additional or amended activities (if any) specified in Annex B, and shall not use the funding for the activities excluded (if any) in Annex B.
- 3.5 Not applicable.

4. Payment of the Award

- 4.1 The amount of the Award to be paid to the Recipient is set out in Annex D.
- 4.2 The Recipient undertakes to provide funding for any additional costs not covered by the Award which are necessary for the successful completion of the Programme of Activities. The Award is cash-limited and no supplementary funding will be provided by the Academy to complete the Programme of Activities in event of a shortfall.
- 4.3 The Recipient will provide the Awardee(s) with sufficient access to funds to enable the successful completion of the Programme of Activities.
- 4.4 Once this Contract has been signed by both parties in accordance with Clause 2.2 and any conditions specified in Clause 2.3 have been met the Academy shall make payments to the Recipient according to the Payments Schedule shown in Annex D. The Recipient will complete Annex E with the necessary banking information required to process the payments. The Recipient is not required to submit invoices for payment and all payments will be made to the bank account provided.
- 4.5 Each payment will be conditional upon receipt by the Academy of any and all Reports which fall due prior to the payment date, in accordance with Clause 5.1. Reports must be submitted in a timely manner and be of a satisfactory standard to release payment, as determined by the Academy, acting reasonably. Reports submitted more than 60 days after the due date are unlikely to be considered timely and no further payment will be made.
- 4.6 The Academy will deduct from the Final Payment (a) any underspend on the Programme of Activities which is evident from the Statement of Expenditure and (b) any funds not spent exclusively on the Programme of Activities, and if the amount to be deducted exceeds the amount of the Final Payment then no Final Payment will be made and the balance due shall be refunded to the Academy by the Recipient within 4 weeks of the Award End Date.

4.7 The Academy reserves the right to withhold or delay any payment if the Academy is not satisfied (acting reasonably) that the Programme of Activities will proceed, or has proceeded in accordance with this Contract.

4.8 No interest shall accrue on any sums not paid by the Academy on the due dates, or withheld in accordance with the terms of this Contract.

5. Reports

5.1 The Awardee(s) will submit written Reports through the Online Grant System to the Academy of the description, and by the dates specified in Annex C. These Reports shall follow the guidelines given within the Online Grant System, and include:

5.1.1 a Statement of Expenditure incurred covering the cost categories included in the application, attached as Annex B

5.1.2 such other information as the Academy may reasonably request.

5.2 Not applicable.

5.3 Not applicable.

6. Other obligations

6.1 The Recipient will ensure that before the Programme of Activities starts all the necessary legal and regulatory requirements for the conducting of the Programme of Activities are met and all necessary licences, visas and approvals are obtained, and maintained during the period of the Award.

6.2 The Recipient undertakes to support the Awardee(s) in the Programme of Activities and to ensure access to facilities specified in Annex B and any other facilities necessary for completion of the Programme of Activities.

6.3 The Recipient shall not allow any Award monies to be used other than for the purposes of the Programme of Activities.

6.4 The Awardee(s) shall comply with any policies of the Recipient and all applicable laws, statutes and regulations relating to anti-bribery and anti-corruption including but not limited to the Bribery Act 2010 and not engage in any activity, practice or conduct which would constitute an offence under the Bribery Act 2010 and other legislation in the UK or overseas.

6.5 The Recipient will keep complete and accurate accounts of expenditure on the Award and the Programme of Activities and allow the Academy or its representatives (on reasonable notice) to inspect such accounts and take copies. Should the Academy request it the expenditure statement must include all of the cost categories as submitted in the Application, attached as Annex B.

6.6 At the request of the Academy, the Recipient will permit the Academy and its representatives access upon reasonable notice to the Recipient's premises and to the Awardee(s) for the purposes of monitoring the progress of the Programme of Activities.

6.7 The Recipient will ensure that the results of the Programme of Activities are disseminated publicly within twelve months of the Award End Date (unless the Academy has agreed in writing to a longer period).

6.8 The Recipient agrees to endorse the commitments of the Concordat to Support Research Integrity and must have in place formal written procedures and policies to promote and ensure compliance with the commitments. In particular the Recipient commits to adhere to the highest standards of professionalism and integrity and agrees to have procedures

in place to ensure that research is conducted in accordance with standards of best practice; systems to promote research integrity; and transparent, robust and fair processes to investigate alleged research misconduct.

- 6.9 The Recipient shall ensure that the Awardee(s) acknowledge the Academy's financial contribution in all publications regarding or resulting from the Programme of Activities, in the form specified in Clause 2.8 or as otherwise agreed to by the Academy.
- 6.10 The Recipient shall ensure that all uses of the Academy's logo conform to the Academy's requirements, as notified by the Academy to the Recipient.
- 6.11 The Academy may refer to the making of the Award, the names of the Recipient and the Awardee(s), and the general aims of the Award in any reports to its funders and in any publicity material.
- 6.12 Not applicable.
- 6.13 Not applicable.
- 6.14 Not applicable.

7. Intellectual Property and equity rights

- 7.1 The Academy will not own or be granted a licence under any intellectual property rights relating to or resulting from the Programme of Activities.
- 7.2 The Recipient will ensure that the intellectual property rights in any results derived from the Programme of Activities are shared between the Recipient, the Company and the Awardee(s) and agreed in writing between the Recipient, the Company and the Awardee(s) before the Award Start Date. The Recipient will supply details to the Academy on request.
- 7.3 The Recipient will ensure that all existing intellectual property rights required to undertake the Programme of Activities are agreed in writing between the Recipient and the Awardee(s) before the Award Start Date. The Recipient will supply details to the Academy on request.
- 7.4 Not applicable.

8. Termination

- 8.1 Should the Department for Business, Innovation and Skills (or successor department) reduce the funding of this Award the Academy reserves the right to terminate this Contract at any time with immediate effect by giving written notice to the Recipient.
- 8.2 The Academy may also terminate this Contract by notice in writing if:
 - 8.2.1 the Recipient or the Awardee(s) has provided any false information in connection with the Award application or the Programme of Activities; or
 - 8.2.2 the Recipient fails to apply the Award monies for the purposes specified in this Contract; or
 - 8.2.3 the Recipient is in breach of any other provisions of this Contract;
 - 8.2.4 the Awardee(s) cease(s), in the reasonable opinion of the Academy to have suitable employment for the completion of the Programme of Activities; or
 - 8.2.5 the Recipient receives funding from alternative sources for the Programme of Activities which covers the same costs as are funded under this Contract (without the prior agreement of the Academy); or
 - 8.2.6 The Academy, acting reasonably, considers the Awardee(s) unfit or unable to pursue the Programme of Activities in accordance with the requirements of this contract, if the facilities required for the Programme of Activities are not available, or if for any other reason the Programme of Activities cannot be fulfilled; or

- 8.2.7 The Academy determines (acting reasonably) that the Recipient's and/or the Awardee's performance has fallen below an acceptable standard; or
- 8.2.8 The Academy, acting reasonably, considers that the arrangements for the exploitation of the intellectual property rights required for and resulting from the Programme of Activities (as referred to in Clauses 7.2 and 7.3)) are not in accordance with the Award application approved by the Academy.

8.3 If this Contract is terminated by the Academy under clause 8.1, the Academy will reimburse the Recipient up to the maximum value of the Award for all reasonable expenditure incurred prior to the termination date, provided this expenditure is in accordance with the Programme of Activities and subject to evidence (if requested by the Academy) that the expenditure has been incurred.

8.4 If the Academy gives notice to terminate under clause 8.2, the Academy may require the Recipient to repay all or part of the Award paid by the Academy to the Recipient.

9. Limitation of liability

9.1 The Academy accepts no responsibility for any costs, claims, taxes, demands or expenses incurred by the Recipient or an Awardee for which the Recipient or Awardee(s) may be liable as an employer or otherwise as a result of the Award or the Programme of Activities, and the Recipient agrees to indemnify the Academy and its employees and hold them harmless against any such costs, claims, demands and liabilities accordingly.

10. Miscellaneous

10.1 Should the Department for Business, Innovation and Skills (or successor department) amend the conditions upon which it provides the funding to the Academy for this Award the Academy reserves the right to amend the terms and conditions for this Award to the extent necessary to enable the effective continuation of the Award and compliance with the new conditions, which will be notified to the Recipient and Awardee(s) in writing. If it is not prepared to accept the amended terms and conditions, the Recipient may terminate this Contract by notice in writing to the Academy within 30 days of notification. If this Contract is terminated by the Recipient, the Academy shall not be obliged to make any further payments and the Recipient shall refund within four weeks any amount not spent exclusively on the Programme of Activities as at the date of termination. Unless so terminated by the Recipient, this Contract shall be deemed to be varied with effect from receipt of the amended terms and conditions by the Recipient.

10.2 The Recipient will promptly inform the Academy in writing of any change in the status of the Recipient or the Awardee(s) or of any other circumstance which might affect its ability to comply with the terms of this Contract.

10.3 Subject to clause 10.1, this Contract can only be varied or amended by the prior written agreement of both parties.

10.4 For the avoidance of doubt, this is not a contract for the supply of services by the Recipient and nothing in this Contract shall be deemed to create an employment relationship between the Academy and the Awardee(s), or any other person.

10.5 This Contract and its Annexes contain the entire agreement and arrangement between the Academy and the Recipient or the Awardee(s) regarding the Award and all other prior agreements, arrangements or understandings are hereby excluded.

10.6 References in this Contract to communications to be made 'in writing' shall be deemed to include email.

11. Governing law and jurisdiction

11.1 This Contract shall be governed by and construed in accordance with English law and all parties agree to submit to the exclusive jurisdiction on the English Courts as regards any claim or matter arising under the Contract.
