

Fr. Conceicao Rodrigues Institute of Technology, Vashi.

FACES 2020 NIL REPORT

FACES (The intra collegiate festival) at FCRIIT is generally hosted in August September. However due to the outbreak of the pandemic of COVID 19, the teaching mode had been changed to online. It was a period of adaptation and understanding. The teaching learning process took priority and as the semester unfolded a lot of other issues took over.

Therefore, though the student council selection was done on time, the council was unable to organise the event.

This here is the NIL report for the same.
