b. Description : From September 10th to 12th, the council and various clubs at Fr. Conceicao Rodrigues Institute of Technology (FCRIT) organized FACES 2025: "IGNITE – Where Passion Meets Performance," a festival celebrating ambition and creativity. The event featured 43 activities/events which included cultural competitions, technical events and sports tournaments. The event fostered teamwork, innovation, and camaraderie among students. IGNITE highlighted that true success lies not just in accolades but in the dedication and spirit brought to every effort. The organizing committee worked tirelessly to ensure smooth functioning of the event which provided them valuable experience in leadership, teamwork and time management. The festival showcased the talent and energy of FACES, uniting students from different streams in a spirited celebration filled with enthusiasm and memorable experiences, reflecting the commitment of the organizing committee in making IGNITE a grand success.

In addition to the various festivities, the National Service Scheme (NSS) unit of FCRIT organized a Blood Donation and Health Check-up Camp as a part of FACES 2025. The initiative aimed to promote social responsibility and community welfare among students and staff. The camp witnessed enthusiastic participation from donors, with several students, faculty members, and visitors contributing to the noble cause of saving lives. Certified medical professionals conducted comprehensive health check-ups, spreading awareness about the importance of regular health monitoring and healthy living. The NSS volunteers played a vital role in coordinating the event, ensuring its smooth execution and creating an atmosphere of compassion and service. This initiative reflected FCRIT's commitment to holistic development by emphasizing both community service and social awareness alongside academic and extracurricular excellence.

- c. **Outcomes :** The event helped students develop leadership, teamwork, and time management skills while fostering creativity, problem-solving, and innovation through diverse cultural, technical, and sports activities. The NSS initiatives instilled social responsibility and empathy, motivating them to contribute to society. Interaction across streams enhanced communication and collaboration, uniting students in a shared spirit. Overall, the experience enriched them personally and professionally, preparing them for future challenges with confidence.
